

We are Honest.

Do you like paying hidden fees and commissions? Of course you don't. That's why we're pleased to be an independent Registered Investment Adviser. You will appreciate knowing exactly what we charge for each service.

We Answer Your Questions.

- What should I know about the stock market?
- What types of investments do you offer?
- What products are available?
- When do I begin?
- How much should I contribute?
- What does my employer offer?

We Help You Plan.

Whatever your goal, Stonefield will work with you. We'll help you save and invest for your future.

Every Stonefield advisor has a Series 65 and/or 66 securities registration. The Series 65 or 66 registration enables the advisor to offer fee-based investment advisory services.
